

After-sales service for Norwegian cable trays

Article Overview

Norwegian cable tray suppliers like Øglænd System and Nordic Wire Tray provide extensive after-sales support, including technical assistance, customization, spare parts, and installation guidance.

Key Service Providers

Øglænd System is a leading Norwegian manufacturer of cable trays and support systems, offering a wide range of products in stainless steel, galvanized steel, aluminum, and fibreglass composites suitable for both onshore and offshore projects . Their after-sales services include:

- Technical support and project consultation to ensure optimal tray selection and installation.
 - Custom solutions tailored to project-specific requirements, including MultiGrid® systems that reduce installation time and costs .
 - Spare parts and accessories for cable trays, ladders, and brackets, ensuring long-term system maintenance .
 - Global supply chain support, with local stock and fast delivery options for Norwegian and international projects . Nordic Wire Tray specializes in flexible and adaptable wire trays with a focus on ease of installation and high-quality materials .
- Their after-sales services include:

- Customization of wire trays using modern machinery to cut, bend, and shape trays according to project needs....
