

Bangladesh cable tray installation companies

Article Overview

Leading cable tray installation companies in Bangladesh include JRC Powertech, Levin Power Engineering Ltd., Quantech BD, Raised Floor BD, and Alphatek, offering supply, installation, and maintenance services for industrial, commercial, and residential projects.

Key Companies and Services

JRC Powertech JRC Powertech has over 20 years of experience providing cable tray solutions across Bangladesh. They offer a wide range of tray types including perforated, ladder, wire mesh, and solid-bottom trays, along with custom designs tailored to project requirements. Their trays are manufactured in various thicknesses with powder coating or hot-dip galvanization for durability. JRC also supplies all necessary accessories and custom joints for flexible installation and supports both indoor and outdoor applications . Levin Power Engineering Ltd. Levin Power Engineering provides complete cable tray solutions, including supply, installation, cable laying, and termination. They handle both overhead and underground trays for industrial, commercial, and service buildings. Their products are corrosion-resistant and comply with international standards. Levin's team ensures precise installation, proper alignment, and adherence to safety standards, and they also offer inspection and maintenance services to ensure long-term reliability . Quantech BD Quantech BD specializes in organized cable management for power, data, and control cables. They install ladder-type, perforated, solid-bottom, and wire mesh trays, ensuring secure mounting, correct spacing, and grounding where necessary. Their services focus on...
