

Cameroon Fiber Optic Patch Cord

Article Overview

Fiber optic patch cords in Cameroon are widely available through local distributors and international suppliers, supporting both commercial and infrastructure projects.

Local Suppliers and Services

ROOT IT is a major telecommunications infrastructure provider in Cameroon, offering design, installation, and maintenance of network infrastructure, including fiber optic solutions. They provide turnkey services for voice, data, and security networks, which can include patch cord deployment for businesses and institutions .

Types of Fiber Optic Cables and Patch Cords

Cameroon's market includes a variety of fiber optic products such as:

- ADSS (All-Dielectric Self-Supporting) cables for outdoor aerial deployment
- Indoor and outdoor fiber cables for FTTX networks
- MPO/MTP connectors and distribution cables
- Patch cords and pigtails for connecting network devices and optical equipment

These products are supplied by both local distributors and international manufacturers like YOFC and Corning, with compliance to standards such as CE, UL, and RoHS .
