

Custom Price of Vertical Shaft Cable Trays

Article Overview

Vertical shaft cable trays are available starting from approximately \$0.95 per unit, with prices varying based on material, size, and customization options.

Vertical shaft cable trays are widely used in industrial and electrical installations for efficient vertical cable management. On platforms like Alibaba, basic vertical cable trays start at \$0.95 per unit, with options for customization in materials such as stainless steel, aluminum, or fire-resistant coatings depending on the application . Prices can increase for larger sizes, specialized designs, or enhanced corrosion and thermal resistance features .

Factors Affecting Price

- **Material:** Stainless steel and aluminum trays are more expensive than standard steel due to durability and corrosion resistance .
- **Size and Load Capacity:** Taller or wider trays designed for heavy cable loads cost more.
- **Customization:** Special coatings, bends, or seismic supports can increase the price .
- **Quantity:** Bulk orders often reduce the per-unit cost, while small orders may be priced higher.

Additional Considerations

- **Delivery Time:** Manufacturers typically deliver standard sizes within 7-20 days aft...
