

Explosion-proof power distribution box factory

Article Overview

Leading manufacturers of explosion-proof power distribution boxes include Tianjin LongDian Electric, BARTEC, Warom, and Shenheng Power Equipment, offering certified, high-quality solutions for hazardous industrial environments.

Key Manufacturers and Their Offerings

1. Tianjin LongDian Electric Engineering Co., Ltd. Established in 1998, LongDian is a high-tech enterprise in China specializing in high/low-voltage power distribution equipment, explosion-proof electrical apparatus, and high-protection-level enclosures. Their products include explosion-proof junction boxes, control panels, and PLC enclosures. LongDian holds IECEx, ATEX, and CE certifications and is a member of the China Electrical Equipment Industrial Association, ensuring compliance with international safety standards. They provide customized solutions and have a proven track record of factory inspections and project deliveries .

2. BARTEC BARTEC designs customer-specific energy distribution solutions for safety-critical industrial applications. Their explosion-proof offerings include Ex d (flameproof), Ex e (increased safety), Ex i (intrinsically safe), and Ex p (pressurized) enclosures, as well as combinations of these types. BARTEC provides low- and medium-voltage power handling solutions, motor control, and signaling devices, with design life up to 30 years and global certification. Their systems are suitable for hazardous Zone 1 environments and harsh industrial conditions
