

Ghanaian Network Cable and Fiber Optic Cable Manufacturer

Overview

African Diamond Cable Company Limited, trading as Signal Cable, is a specialized manufacturer with over 20 years of experience in producing high-quality cables that meet international standards. With extensive experience in the survey, design, and implementation of over 23,000 km of optical fiber networks, the company provides comprehensive solutions for. Spectrum Fibre Limited specializes in the manufacturing of Fibre Optic infrastructure, providing essential internet and connectivity services, particularly in the western corridor of Ghana. Connecting businesses with networking and security solutions. With the growing demand for high-speed internet and advanced communication networks, our fiber cables provide the ideal solution for telecommunication companies. We are a resolute partner in the energy transmission and distribution sector across Africa, with a pronounced presence in West Africa. Our cables are flame retardant, low smoke, lead-free and maintain an uninterrupted and reliable delivery of power to the built environment. We provide the needed. If you supply fibre optic cable and want to sell into Ghana, the buyers are the mobile operators, the grid company, and the data-centre developers wiring Accra to the new submarine landings. Ghana's grid operator alone runs over 2,500 km of optical ground wire, and the 45,000 km 2Africa cable now.
