

LED distribution box manufacturer direct sales

Article Overview

You can source LED distribution boxes directly from manufacturers in the UK and China, offering custom sizes, trade pricing, and full production support.

UK-Based Manufacturers

- Lightbox Direct – A UK manufacturer specializing in LED light panels and illuminated displays. They offer a range of LED light boxes with customizable sizes up to 2m x 3m, multiple color temperatures, and advanced control systems including DMX and DALI. They provide direct trade sales and bespoke solutions for retail, corporate, and exhibition projects .
- Project Display – A trade-only UK manufacturer of fabric and LED lightboxes. Their facility supports full in-house production, including textile frames, SEG lightboxes, and illuminated displays. They offer direct sales to trade partners with competitive pricing, bespoke design, and delivery services across the UK. Frame depths range from 16mm to 150mm, and products can be supplied illuminated or non-illuminated .

China-Based Manufacturers

- Xiamen EF Sign Co., Ltd. – A factory-direct LED lightbox and signage manufacturer in Xiamen, China. They provide OEM and wholesale solutions, custom sizes, and a wide range of materials including aluminum, stainless steel, and acrylic. Their services include design consultation, rapid sample production (5–7 working days), and full project support from concept to delivery. They cater to global clients and offer competitive pricing for bulk orders
