

Maldives Outdoor Cable Tray Prices

Article Overview

Outdoor cable trays in the Maldives typically cost between \$10 and \$50 per meter, depending on material, type, and supplier.

Estimated Pricing

- Metal cable trays (galvanized steel, ladder type) are the most common for outdoor use and generally range from \$10 to \$30 per meter .
- Aluminum trays, which are lightweight and corrosion-resistant, can cost \$20 to \$50 per meter .
- Plastic or PVC trays are cheaper but less suitable for heavy-duty outdoor applications. Local suppliers like Asters Maldives offer pre-order bundles of metal cable trays (including connectors and screws) with sizes around 9'6" (2.9 meters) and widths of 200 mm, though exact prices are not listed online . Delivery within Male or Hulhumale typically takes 3-4 days, and pre-order discounts may apply.

Factors Affecting Cost

- Material: Galvanized steel is durable and cost-effective; stainless steel is more expensive but highly corrosion-resistant.
- Coating: Hot-dip galvanization or powder coating increases outdoor durability but adds to the price.
- Size and Type: Ladder trays are more expensive than perforated or wire mesh trays.
- Shipping and Installation: Importing trays to the Maldives may increase costs due to logistics and handling.
- Bulk Orders: Ordering larger quantities can reduce the per-meter cost....
