

Nigerian telecommunications outdoor cabinet manufacturer

Article Overview

Machan and Vesselnet are among the leading manufacturers of outdoor telecom cabinets in Nigeria, offering customizable, weatherproof solutions for telecom infrastructure.

Key Manufacturers and Suppliers

Machan Group is a prominent Nigerian manufacturer specializing in customizable outdoor telecom cabinets designed to protect equipment in harsh environments. Their cabinets are suitable for telecom base stations, energy storage systems, and radio equipment, and can be tailored to meet specific project requirements, ensuring durability and security in remote sites. Vesselnet Integrated provides end-to-end telecom infrastructure solutions, including the manufacture, supply, and maintenance of weatherproof outdoor transmission cabinets. Their products are engineered to safeguard critical network equipment under extreme field conditions. Vesselnet also integrates solar power systems, hybrid mini-grids, and smart access control for remote telecom sites, making them a comprehensive provider for network deployment across Nigeria and West Africa. MYD Telecoms Company Ltd is another notable supplier, offering engineering, construction, project management, and general supplies for telecom projects. They focus on BTS site builds, fiber deployment, and managed services, and provide cabinets suitable for outdoor telecom applications.
