

Palestinian Fiber Optic Trench Manufacturers

Article Overview

Key Palestinian providers for fiber optic trenching and installation include Jdeco Fiber Optics Technology Co. and upcoming initiatives by the Palestinian Investment Fund.

Local Fiber Optic Contractors

Jdeco Fiber Optics Technology Co. is a subdivision of the Jerusalem District Electricity Company (JDECO) that specializes in fiber optic contracting services across Palestine. They handle direct burial cables, aerial fiber, and FTTx technologies, offering installation, splicing, testing, and network configuration services. Their team works with municipalities, electrical utilities, and telecom companies, making them a primary local contractor for trenching and fiber deployment projects in Ramallah and surrounding areas (Jdeco Fiber Optics Technology Co.), .

Government-Backed Initiatives

The Palestinian Investment Fund has been tasked with establishing a new fiber optic company to modernize the national network, replacing outdated copper lines and expanding high-speed connectivity. This initiative aims to develop infrastructure using the latest fiber optic technologies, which will likely include trenching and direct burial solutions for urban and rural areas (Palestine Economy Portal), .
