

Price of grounding the casing of a distribution box

Overview

Hiring a local electrical professional prevents fire hazards and ensures your outlets are grounded safely and meet all local building codes. The cost to ground outlet is \$200 on average, but you can expect to pay between \$100 and \$300 for this essential service. Your total cost depends on several. What are a few brands that you carry in Grounding Bars?

We carry Siemens, GE, Eaton and more. What's the best-rated product in Grounding Bars?

The best-rated. Buyers typically pay a broad range for replacing a distribution box, driven by box size, amperage, wiring runs, and local labor rates. RSP Supply offers a full line of enclosure grounding equipment, including grounding kits, grounding devices, and grounding straps. We offer both Single Grounding Assemblies and 4-Way Cluster Grounding Sets and we can provide the best prices on all Hubble Power Systems, Salisbury by Honeywell, and Hasting Fiberglass grounding equipment.

How Much Does It Cost to Ground Outlets? [2026 Data]

Moving Or Adding An OutletAdding A Ground WireRewiring Or Replacing An Electrical PanelReplacing Or Repairing A Fuse BoxOpening WallsMany older homes have a two-wire system rather than a three-wire system. In this case, an electrician will have to add the third wire (aka the ground wire) to ground the outlet. Wiring generally costs from \$6 to \$8 per foot, and you can expect to pay between \$130 to \$170 per connection, though it will be more expensive in a larger home and less exp...See more on angi J Harlen Co
