

Price of right-angle parallel elbows for cable trays

Article Overview

Right-angle parallel elbows for cable trays typically cost around \$1.3 per piece for bulk orders, with prices varying based on material and supplier.

Pricing Overview

- **Bulk Purchase:** On platforms like Alibaba, cable tray elbows are available for approximately \$1.3 per unit when purchased in bulk, with options in galvanized steel and stainless steel suitable for industrial applications .
- **Material Impact:** Prices can vary depending on the material. Galvanized steel is generally more affordable, while stainless steel or aluminum alloy elbows may cost more due to durability and corrosion resistance .
- **Supplier Options:** Suppliers such as JLH Electric and RS Components offer a wide range of elbows and fittings, often with customization options for size, coating, and load capacity .

Additional Considerations

- **Sizes and Compatibility:** Elbows are available in various sizes to match different cable tray widths and types, including ladder, ventilated, and solid-bottom trays .
- **Custom Fabrication:** Some manufacturers provide custom design and fabrication to meet specific project requirements, which may affect pricing .
- **Accessories:** When budgeting, consider additional accessories like bolts, nuts, covers, and support brackets, which are often required for proper installation
