

Prices of reputable electrical distribution boxes from Tunisian manufacturers

Article Overview

Electrical distribution boxes from reputable Tunisian manufacturers like ELECSA typically range from approximately 150 TND to 1,200 TND depending on specifications, capacity, and customization.

Overview of Tunisian Manufacturers

ELECSA Tunisia is a leading local manufacturer known for high-quality electrical equipment, including distribution boxes suitable for residential, commercial, and industrial applications. Their products emphasize reliability, compliance with safety standards, and durability, making them a preferred choice for professional installations.

Price Ranges

The cost of electrical distribution boxes in Tunisia depends on several factors:

- **Type and Capacity:** Single-phase residential boxes are generally more affordable, starting around 150–300 TND, while three-phase commercial or industrial units can reach 800–1,200 TND.
- **Material and Construction:** Boxes made from high-quality, weather-resistant materials for outdoor use carry higher prices.
- **Number of Circuits:** Units with more circuits or integrated protective devices (circuit breakers, fuses) are more expensive....
