

Professional manufacturer of finished mesh cable trays

Article Overview

Top professional manufacturers of mesh cable trays include VALDINOX, Cablofil, PohlCon, and JLH Electric, offering high-quality, certified, and customizable solutions for industrial and commercial projects.

Leading Manufacturers

VALDINOX specializes in wire mesh cable trays, supports, and accessories, with over 30 years of manufacturing expertise. They offer high production capacity exceeding 15 km of trays per day, innovative EASYCONNECT® systems for faster installation, and custom-made solutions tailored to project requirements. Their products are designed for durability, safety, and compliance with international standards, making them a leading choice in Europe for industrial and data center applications . Cablofil (Legrand) is a globally recognized brand for wire mesh cable trays, providing modular, fast, and reliable cable management systems. They offer a wide range of products including ladder trays, prefab assemblies, and accessories, with tools like CabloCAD for 3D modeling and project estimation. Cablofil solutions are widely used in data centers, industrial plants, and food processing facilities, ensuring efficient installation and long-term reliability . PohlCon manufactures mesh cable trays suitable for indoor and outdoor applications, including data centers, industrial plants, and hygienic environments. Their trays come in various shapes (U, C, G, W) and heights, providing excellent cable ventilation and flexible routing options. PohlCon also offers a comprehensive range of cable support systems and accessories . JLH Electric (Shandong TAIAN JINHENG Electric Co., Ltd) is a professional Chinese manuf...
