

West Africa Waterproof Distribution Box Wiring Price

Article Overview

Waterproof distribution boxes in West Africa typically range from \$20 to \$350 USD depending on size, IP rating, and number of ways/poles.

Price Overview

- Small weatherproof boxes (single or 2-way) start around \$20-\$40 USD (R30-R60) for basic models with hinged lids and standard protection .
- Medium multi-way boxes (4-12 ways) generally cost \$70-\$150 USD (R71-R165), suitable for residential or small commercial wiring .
- High-capacity or IP68-rated junction boxes (5-12 poles, heavy-duty, complete with glands and accessories) can range from \$200-\$350 USD (R285-R571), ideal for industrial or outdoor installations requiring maximum waterproofing .

Key Features Affecting Price

- Material: Glass Reinforced Polyester (GRP) or high-grade plastic increases durability and cost .
- IP Rating: IP65-IP68 ensures protection against dust and water ingress; higher ratings are more expensive .
- Number of Ways/Poles: More ways/poles allow for larger circuits but increase the price .
- Accessories: Some boxes include glands, mounting kits, and terminal blocks, which add to the cost
