

Which company should I choose for fireproof cable trays in Africa

Article Overview

Several African manufacturers provide fire-resistant and durable cable trays, including Legrand, El Sewedy Electric, Hutaib Electrical, Ned-Tech, and CMG.

Key Manufacturers

Legrand – A global leader in electrical infrastructure, Legrand offers cable trays, raceways, and wiring accessories suitable for industrial, commercial, and residential projects across Africa. Their products are designed to meet international safety and fire-resistance standards .

El Sewedy Electric – Based in Egypt, El Sewedy Electric manufactures cable trays and electrical enclosures for energy, infrastructure, and telecommunications projects. Their trays are engineered for durability and compliance with fire safety requirements .

Hutaib Electrical – Operating in South Africa, Hutaib Electrical produces a wide range of cable trays, including ladder, perforated, basket, and closed (box) types. They offer finishes such as hot-dip galvanized, powder-coated, and stainless steel (SS-202/304/316), which enhance fire resistance and corrosion protection .

Ned-Tech – Based in Nigeria, Ned-Tech supplies perforated, ladder, and solid-bottom cable trays made from galvanized steel, stainless steel, and aluminum. Their products are suitable for heavy-duty industrial projects and are designed to resist fi...
