

Wholesale Price List for Ordinary Optical Cables

Article Overview

Wholesale prices for ordinary optical cables vary by type, length, and supplier, with factory-direct options offering competitive rates and bulk discounts.

Overview of Ordinary Optical Cables

Ordinary optical cables, commonly used in telecommunications and networking, are available in single-mode and multimode configurations. Single-mode cables are ideal for long-distance transmission, while multimode cables are suitable for shorter distances. Prices are influenced by cable type, core size, shielding, and customization options such as length and jacket material .
