

Yemen Electricity Meter and Distribution Box Manufacturer

Article Overview

Key suppliers and manufacturers of electricity meters and distribution boxes in Yemen include AL-Mahbashi, Alashwal Trading & Industry Group, AlGawf Trading, and Yemen Plastic, with options for custom metering solutions from international suppliers like Keming.

Local Yemeni Companies

AL-Mahbashi for Trading & Agencies Co. is a leading Yemeni company established in 1972, specializing in electricity and energy equipment. They supply power generators, transformers, cables, wooden poles, energy and water meters, and network materials for power distribution and transmission. Their operations cover high, medium, and low voltage systems, and they serve both public and private sectors across Yemen, with offices in Sana'a, Aden, and Hodeida . Alashwal Trading & Industry Group, founded in 1979, is a prominent importer and distributor of electrical products, including switches, electrical cables, power distributors, and distribution boards. They also manufacture distribution boards and road steel lighting in Sana'a, providing both commercial and industrial electrical solutions . AlGawf Trading & Services Co. LTD., operating since 1987, offers a wide range of mechanical, electrical, and energy equipment. They provide professional sales, technical support, project design, and turnkey project execution, including electricity metering and distribution solutions. Their branches are located in Sana'a, Ibb, Amran, Taiz, AlHudieda, and Aden . Yemen Plastic (YPMC) manufactures electricity boxes in various sizes and shapes using modern CNC technology, catering to local electrical distribution needs...
